A1: All sessions will be recorded. The recordings will be uploaded to CNCF YouTube channel and Tencent Video after the event.

问题1：演讲是否会录像？会后在哪里可以下载录像内容？

Q3: For pre-recorded videos, does the speaker need to do live Q&A?

A3: We strongly recommend the speaker to be presented to do live Q&A if the speaker is available at that time. We also recommend the speaker to put his/her contact information in both the first and last slides of his/her powerpoint presentation.

问题3：对于事先录制的演讲视频，演讲者还需要进行现场的问答活动吗？

答复3：如果时间允许的话，我们非常建议演讲者亲自进行问答活动。我们也建议演讲者把他或她的联系方式显示在PPT的首页和末尾页。

Q4: Does live speaker need to provide recording for back up purpose?
